Functioning of SSI Units

3227. PROF. M.M. AGARWAL: Will the Minister of SMALL SCALE INDUSTRIES be pleased to state:

(a) the number of small-scale industries functioning at present in the country, State-wise, district-wise and industry-wise;

(b) the details of the foreign exchange earned by these industries in the Indian currency during the last three years;

(c) the details of such industries closed down due to sickness so far during this period and current year till date, State-wise, District-wise and Industry-wise; and

(d) the necessary steps being taken by Government to revive them in the national interest?

THE MINISTER OF SMALL SCALE INDUSTRIES (SHRI MAHABIR PRASAD): (a) The total number of small scale industries (SSI) units (both registered and un-registered) functioning at the end of March, 2005 in the country is provisionally estimated to be 118 59 lakh. The State and industry-wise details are given in the enclosed Statement I and II respectively The district-wise information is not maintained centrally.

(b) The estimated foreign exchange earned (based on value of exports made) by the SSI units (both registered and un-registered) during 2000-01, 2001-02 and 2002-03 (latest available) is given below:—

Year	Exports from SSI (Rs. crore) (Estimated)
2000-01	69796.50
2001-02	71243.99
2002-03	86012.52

(c) The information on closed units is not maintained centrally. However, as per the results of the 3rd All India Census, out of the 22,62,401 SSI units registered upto 31.3.2001 in the entire country, 8,87,427 units were found closed. State-wise break-up of these units is given in the enclosed Statement-III (See below) The district wise and industry-wise information of these closed units is not maintained centrally.

(d) Although the promotion and development of SSI is primarily the responsibility of the State/UT Governments/Administrations, the Central Government assists and supplements these efforts. For revival of sick small scale industries, the State and Central Governments have taken steps like establishing institutional fora in the form of State-Level Inter-Institutional Committees and District-Level Sick Units Rehabilitation Committees in some States for periodical review, special rehabilitation cells in Banks and State Financial Institutions and National-level Committee for improving credit flow, etc. The Reserve Bank of India (RBI) has issued guidelines on 16 January, 2002 for rehabilitation of sick SSI units, which include modification in the definition of sick SSI units, norms for deciding their viability, several measures to extend concessional finance for reviving potentially viable sick SSI units, etc.
